Asian Symposium on Biomedical Materials Young-Ha Kim Korean Society for Biomaterials
Advanced Biomaterials VII

This Advanced Biomaterials collection comprises more than 237 papers. The editors: Young-Ha Kim, Korean Society for Biomaterials, PNS&P Lab.; European cells & materials by Swiss Society for Biomaterials, 467, 6, 2001; Bio-inspired materials for biomedical engineering by Brennan, Anthony B.; Editor: Advanced Biomaterials VII: ASBM7 proceedings of the 7th Asian Symposium on Biomedical Materials, Jeju Grand Hotel, Jeju Island, Korea, August 20-23, 2006; Advanced Biomaterials VII: Feasibility of Liquid Crystal Polymer as an Encapsulation Material of, Sung June Kim, ISOCC Chip Design Contest 2012, Jeju, Korea, Nov.4-7; Asian and Pacific RIM Symposium on Biophotonic, Shilla Hotel, Jeju island, ASBM-77th Asian Symposium on Biomedical materials, Aug 20-23, 2006 Abstract.
